Cleaning, Repair, and Shipping: Consigned items that are in need of cleaning or repair will have the cost deducted from the consignment check. Consignors are accountable for the cost of cleaning, repair, and return shipping if the garments are picked up early. **Initial** _____

Pricing: Pricing will be based on the age, condition, style, and brand name of the consigned garment(s). Showtime reserves the right to discount prices as necessary to make a sale. We have been selling used show clothing since 1993, and the market is very competitive for used show clothes. Our promise is to try and get the most money for the garments and benefit both the consignor and ourselves.

Payment: Once your garment(s) sell and make it past our return policy, you will have the option of store credit to be used at Showtime or we will mail you a check for the amount.

If an item does not sell within 6 months we will contact you to make a decision on whether the items are returned to the consignor or to lower the price to encourage a sale.

We reserve the right to refuse items. We only accept western show tops or complete sets. No hats, boots, saddle pads, chaps without a matching top, English clothing or discount brands.
